## U. S. Masters Registration

A copy of your U. S. Masters Registration must be attached if you didn't affiliate with Sierra Nevada Masters (SNM) when you registered with USMS. Otherwise, the SNM treasurer is automatically notified by email from USMS. If you are not a member of U. S. Masters Swimming, you may not workout with Sierra Nevada Masters. The city of Reno requires that all swimmers in our group be registered because of the insurance coverage provided by U. S. Masters Swimming. Furthermore, if you are not registered, the coach and the swimmers in your lane will not be covered if you or any other swimmer in the same lane is injured.

## Billing options

The coaches are paid by Sierra Nevada Masters. Sierra Nevada Masters pays the city of Reno for use of the pool. Dues must be charged in order to cover these expenses and other team expenses.

Annual dues: \$930.00. You may begin an annual billing cycle at any time.

Quarterly dues: \$250.00. You may begin a quarterly billing cycle at any time.

Monthly dues: \$90.00.

10-workout pass: \$110.00. The pass must be purchased before or at the time of its first use, i.e., you may not swim 10 times and then buy the pass.

Drop-in: \$10.00 per workout. The drop-in fee must be paid at the time you swim. It is intended **only** for swimmers visiting from out of town.

Full time college student: \$45.00 per month. If you want to swim less than five times per month, consider a 10-workout pass.

**If you decide to stop swimming, please let the bookkeeper know before the beginning of the next cycle in which you would normally receive an invoice.** Invoices are distributed by email on the first of the month in which payment is due. Please pay as soon as possible. Sierra Nevada Masters dues are designed to pay expenses and there is no cash buffer to cover swimmers who do not pay in a timely manner. We attempt to operate on a break-even basis.
